## **KINGSHIP**

**November 20, 2016**

The book of Samuel recounts for us today the anointing of David as king of Israel. It was the elders of Israel who declared David king that day, but it was God who called David to shepherd Israel. Thus mandated by the citizens of his kingdom and by his God, David took his place in a long line of kings.

The apostle Paul speaks to us of kingship as well, but on a much higher plane: the kingship of Jesus our Lord. As great as David was, he and all earthly monarchs who came before and after him in their kingdoms around the world are minor kings by comparison to the true King. And lastly, we hear the story of that true King in perhaps his weakest moment: near death, hanging on a cross, taunted by a common criminal and by the world at large.
